The Mission

The Speak UP Empowerment Foundation, Inc. is a 501.c.3 non-profit organization whose mission is to provide access to resources, training and support for female-headed single-parent families in the Greater Long Beach Area & surrounding communities.

- ▶ SUEF's President, Ms. Robbie Butler wanted to conceptually share critical wisdom and tools to build a support network - and help single moms gain and maintain the confidence and courage needed to pursue their dreams.
- ▶ Her "Ms. Single Mom" book was an attempt to do that - she thought the book was an end, but quickly discovered it was just a beginning.
- ▶ Readers began to ask about a conference/seminar to bring single moms together for a day of learning and sharing.
- ▶ In response, SUEF's advisory board developed the inaugural Ms. Single Mom Empowerment Forum event in April 2016.

The Goal

This event's primary goal is to celebrate and uplift single moms with an empowering program that isn't offered elsewhere.

- We find that most comparable existing programs have a narrow and specific focus whereas the annual Ms. Single Mom Empowerment Forum is much more inclusive.
- Our program offers single-parent female-headed families a full day of access to empowering business, educational, financial, family, health/wellness, and legal speakers along with other relevant resources, all in one setting.
- Food and parking are included in this cutting-edge program.
- Event attendees can take full advantage of the empowering informational and educational content provided throughout the day without worrying about childcare.
- Sponsor support provides an offsite state licensed childcare facility for children aged 3-11 years.

Our post event surveys have included these comments:

- ❑ "This event changed my life!"
- ❑ "This event saved my life!"
- ❑ Thank you for treating us (Single Moms) with such respect."
- ❑ "Please do this event again next year!"

The Results

Thanks to our generous sponsors, more than 1050 single mom attendees and mentees have since shared an inspirational day of education & empowerment.

- ▶ We are excited to host the upcoming 8th annual Empowerment Forum on April 20, 2024 – and expect to service an additional 150+ Single Moms.
- ▶ Your donation will ensure that we attract quality economic, educational, financial literacy, health/wellness, and personal development speakers & presenters – and help underwrite venue, food and beverage costs.

The “Ms. Single Mom!” books...

- ▶ Ms. Robbie Butler’s first book, “Ms. Single Mom - Yes, You Can!” is an easy-to-read comprehensive self-help reference book that was created specifically to help the younger single mother succeed at this overwhelming task of parenting because many younger moms don’t have the guidance, encouragement, or support that’s required to develop a workable success plan. The book isn’t a promotion of single motherhood; instead, its aim is to empower the Single Mom with useful strategies to succeed as an effective parent, smart consumer, and savvy businessperson.
- ▶ Ms. Butler’s second book, “Ms. Single Mom - Elevate Your Game” offers insight into a mindset of strategy and includes tools to become more productive and successful. It suggests principles that work every time... SMART Goal Setting and Time Management to help single moms elevate to the next level of success in their process.
- ▶ The “Ms. Single Mom” books are offered to Empowerment Forum attendees free of charge, thanks to our Education Sponsors.
